Processing Time

The standard processing time to receive a completed MyIEE evaluation report is 3 business days **after receipt, review, and approval** of all documents and English translations and payment in full. If additional research, correspondence, or verification is required, the evaluation will take longer. Because expedited orders are prioritized and begin processing immediately, expedited service fees are non-refundable. Expedited processing is guaranteed for 3-5 pages of translation. Any additional pages may incur additional processing time.
