Evaluation Type ———— Required Documents

Required Documents Checklist for ~~Venkatesh Hari~~

All documents listed below must be sent to WES for your evaluation report. Upon receipt and review of your credentials, **WES may require additional documentation.** If so, we will contact you.

Your Education

Diploma in Electronics and Communication Engineering
Jawaharlal Nehru Technological University, Hyderabad, India

Important Information

Before you review the list of documents to send to WES, please read this important information about specific requirements that may apply to you depending on the credentials you hold and the country or institution where you studied. This information will ensure that you send the right documents, which may help to expedite your evaluation.

IRCC asks applicants to submit **only their highest completed** credential for an **Educational Credential Assessment (ECA)**. Please review the notes below to determine which credentials you should send. To avoid delays, do not send additional documents unless they are requested by WES.

Learn what to send based on your highest completed credential:

If you have an Indian master's degree or an Indian postgraduate diploma…
You must also provide your bachelor's degree documents. WES cannot complete an evaluation without these documents.

- **Please note:** There are currently **five** exceptions. Those exceptions apply to people with a Master of Education, Master of Engineering, Master of Philosophy, Master of Technology, or Master of Computer Applications degree.

If you have a doctorate (PhD)…
You do not need to submit your bachelor's degree or master's degree for evaluation.

Your ECA report will not contain the following:

- Anything below secondary school education (such as primary and elementary school)
- Non-academic credentials (for example: Microsoft Office Training)
- Professional or career training qualifications

WES does not evaluate study in Ayurveda, Unani, and Siddha indigenous medical systems.

WES reserves the right to verify all documents submitted for evaluation. If it is determined that verification is required, WES will contact your institution or other authorized source to authenticate your documents. Once a response is received, WES will proceed with your evaluation.

Do not send original documents. WES does not require any original documents to process a credential evaluation report. Documents that you submit for evaluation will not be returned and will be destroyed by WES at its sole discretion.

Your Requirements Checklist

Please review this list of required documents and how to send them. (Note to applicants: The checklist of required documents is based on the initial information you submit as part of your WES application. If the information is incorrect, we may need to request additional documents.)

1. Degree Certificate (Final or Provisional)

This is a clear, legible photocopy of the final or provisional degree certificate.

What you need to do:

You can upload a clear and legible copy of this document in **My Account**.

2. Statement of Marks (University Issued and Attested)

This is an **official document** issued by the institution responsible for conducting the examinations (e.g. university or autonomous college). It lists all subjects/papers taken and marks earned for each year of study and must include your university student identification number. College-issued mark sheets/result cards are not accepted unless from an autonomous college. **View this list** to confirm if your college has autonomous status.

What you need to do:

Option 1

Visit the **National Skill Development Corporation (NSDC) Trust website** and follow the directions to share your electronic documents with WES.

Please ensure that you input the correct WES reference number. You will receive a One Time Passcode (OTP) by email, so please also ensure that the email address used for your WES application is correct and that you have access to it.

For more information, please visit NSDC's **frequently asked questions page**.

Option 2

Visit the **Qualification Check (QC) website for WES applicants** to create an online account. (Note: You must first obtain a WES reference number before you can create an account with QC.)

Please ensure you are visiting the WES-QC registration form specifically. Once you have created your QC account, follow the directions to upload your documents. (Note: All correct documentation must be received before QC can begin the verification process.)

For more information, please visit the **Document Verification with QC section** on our website.

Please note:

- WES only accepts documents issued and attested by the designated official at the institution that conducted the examination (e.g. Controller of Examination or Registrar's Offices). Attestations by individual professors or external notary publics will not be accepted.
